Call us now to speak with an experienced bricklayer in Toowoomba “Get laid by the best!”

Southern Cross Bricklaying

Southern Cross Bricklaying was established almost 20 years ago to provide high quality bricklaying and block laying services to the Toowoomba community. Our bricklayers are equally at home working on small domestic jobs such as repairs or letterboxes, as they are on large commercial projects, so whatever your project, give us a call!

Our long history of working in the Toowoomba community has provided us with many satisfied customers over the years, and we aim to ensure this continues into the future. If you’re looking for an experienced, high quality bricklayer, with an excellent reputation, there’s no better place to come!
