

About Us

Mick's Towing Service is a family owned business, previously in the business for 30 years and Established in November 2006.

Mick's Towing Service Strive to Provide a Diverse high level of service to all our valued customers. We also try and keep our prices at a competitive rate, whilst operating safely, sustainably and in strict accordance with applicable laws and regulations. We strive for continuous improvement in the services we provide, through ongoing investment in our Team, systems, facilities and equipment.

All the trucks are fitted with a back to base real time GPS tracking. Which allows us to efficiently schedule fleet, establish ETA's for customers and KPI's, maintain welfare checks and report on productivity and activity.

Jobs are dispatched electronically in real time to the drivers thru our App from the Dispatch Centre. The driver has all the job details on hand after accepting "Enroute" this is sent back to the Dispatch Centre. Every step and progress the driver is made is all logged and kept track of.

Fast, Efficient & Reliable

Mick's Towing Service offers heavy machinery towing and transport up to 32 ton. Using our tilt trays Super Tilt and Drop Deck Trailer on the Gold Coast, Brisbane and surrounding areas.
