Patios // Skillion

Patios // Gable

Scan here to view more on Patios

Apollo Patios® has achieved a breakthrough in building design excellence by providing a patio system that offers a combination of high quality, outstanding design possibilities, functional simplicity and value for money.

Choose from the flat profile skillion patio where spans of up to 4.7 metres are possible, or for an addition designed to become a feature of your home, the elegant gable or contemporary breezeway patio are a stylish yet functional option.

The Apollo Patios® Gable ridge beam system means no more unsightly roof screws under the patio roof system and our pre-angled beam sections ensure that our patios are given a stronger and neater fixing system with no visible fasteners. By utilising Apollo Patios® unique beam sizes, greater spanning options are available using fewer posts and the use of colour bond flashing and matching guttering is designed to compliment your homes existing features.

Decks

Scan here to view more on Decks

Extend your living area with steel or timber framed decks, with a choice of natural or composite floors from Apollo Patios®. You can choose from a variety of styles designed to fit perfectly with the existing features of your home.

There are a variety of balustrade styles available to suit your design. To make the entire process easy, council permits can be organised with your local licensed Apollo Patios® Dealer. Whether you're after a deck for a highset home or want to create an elevated deck to suit a lowset home, Apollo has a decking option to suit you. You'll be amazed at the quality finish and value for money an Apollo deck represents.

Screen Enclosures

Scan here to view more on Enclosures

Apollo Patios® Screen Enclosures provide another dimension in outdoor living by adding a complete home addition using partially or fully enclosed screens. Screening allows you to have more protection yet still gives you the versatility to open up to cool breezes and the feeling of being outdoors.

If you're after a new sunroom, rumpus room or a parents retreat, screening is an affordable way to create additional living space for your home. Don't feel restricted with outdoor design, talk to one of our design consultants to find a screen outdoor home addition to create the very best in living and leisure space for you and your family.

Carports

Scan here to view more on Carports

Apollo Patios® range of premium carports are custom designed and finished in a variety of styles that will match the design features of your home. You can choose from single or double sized carports with either a gable or flat profile roof finish. All Apollo Patios® Carports are fully engineered using quality Australian made products manufactured by Apollo. The finished product is a stable, sturdy structure that's built to last.

Our experienced team of designers will assist you in creating a premium carport that's aesthetically pleasing, functional and will enhance and add value to your home.

NEW
FROM
\$195m²
Panel Size
1200 x 2400 x 2mm

Apollo Patios® has a stylish range of accessories including blinds, louvres and privacy screens and the new decorative panels, to provide the finishing touches to your new outdoor home addition.

Louvres & Slats: will transform your outdoor living area by providing privacy and protection from the elements all year round. Our systems are constructed from powder coated aluminium materials which eliminates costly maintenance issues such as painting, cracking and warping that is experienced with timber products.

Blinds: provide flexible weather protection, light control and privacy for your outdoor living area. You can choose from either Geared, Wall Section or Automatic blinds in a choice of fabrics including clear or tinted plastic or PVC coated-polyethylene woven mesh.

Decorative Panels: Privacy and feature screens to add style to your outdoor area. Decorative screens have a wide variety of applications including gardens, patios, on decks, supporting water features or around pools. The screens can be used to divide spaces, adding a design element to any area inside and out.

Building a better lifestyle with Apollo Patios®

About Us

Apollo Patios® is a family owned business that has been successfully operating since 1995. Manufacturing facilities are located in Queensland, New South Wales, Victoria, Western Australia, North Queensland and Northern Territory.

Apollo Patio Roofing Australia is proud to be an Australian company and uses only 100% Australian manufactured and designed product, engineered to comply to exacting Australian building standards. As one of Australia's largest and most successful outdoor construction companies we know our success has been built upon the thousands of families around the country who have chosen to build an outdoor home addition with Apollo Patios®.

We know our continued success is our ongoing commitment to you, the customer.

Apollo Patios® Designs

- Professional consultants design your outdoor home addition to suit your requirements.

Apollo Patios® Roof Sheeting

- Apollo Patios® offers 2 choices of roof sheeting.
- Apollo Patios® Unilink 2000 broadspan roof profile & Unilink 2000 MK II roll formed roof sheeting.
- Both forms of roof sheeting are manufactured from quality hi-tensile painted steel.
- The Unilink 2000 MK II roof sheeting is thicker than industry standards constructed from G550 Hi Tensile .48 gauge steel.
- Spans of up to 4.7 metres are possible with no unsightly rafters or battens.
- Both forms of roof sheeting are coated with the exclusive Apollo Patios® Durasheen paint coat finish.
- The top side is finished with a 55% gloss coating to reflect the solar rays.
- Provides superior light reflection while minimising heat transfer.
- The underside has an 80% high gloss finish that reflects more light into your home.
- Resilient to mould growth and that means easy maintenance for you.

Apollo Patios® Manufacturing

- Apollo Patios® products are rigorously tested.
- We maintain our high standards of strength, durability, colour, paint adhesion, scratch resistance and paint thickness.
- All Apollo Patios® products are proven in their durability and flexibility as a result of ongoing research and development.

Apollo Patios® Warranty

- The Apollo Patios® Durasheen paint coat finish comes with a 15 year manufacturers backed warranty.
- All Apollo Patios® outdoor home additions are also covered by an applicable structural warranty in your state.

Apollo Patios® Colour Range**

Apollo Patios® has a range of colours that will fit perfectly with your homes existing colour scheme. All colours in the Apollo Patios® range have also been specifically chosen to suit the climate we live in.

MERINO

SMOOTH CREAM

RIVER GUM

SLATE GREY

DOVER WHITE

HERITAGE RED

*The colours indicated have been reproduced as accurately as possible and may vary from actual roof sheeting. Contact your individual state for colour range. (Not all colours are available in every state.)
