

CERTIFICATE IV IN WORK HEALTH AND SAFETY

COURSE OVERVIEW

This qualification is suitable for people working in a Work Health and Safety (WHS) role who work to provide leadership and guidance to others and have some limited responsibility for the output of others.

The qualification reflects the role of workers who apply a broad knowledge base and well developed skills in a wide variety of contexts and may include coordinators, advisors and facilitators.

COURSE CORE UNITS

- **BSBWHS402** Assist with compliance with WHS laws
- **BSBWHS403** Contribute to implementing and maintaining WHS consultation and participation processes
- **BSBWHS404** Contribute to WHS hazard identification, risk assessment and risk control
- **BSBWHS405** Contribute to implementing and maintaining WHS management systems
- **BSBWHS406** Assist with responding to incidents

COURSE FUNDING OPTIONS

This course is proudly subsidised for eligible participants by

Construction Skills Queensland (CSQ)
through SDS Training,

Contact SDS Training to determine your
eligibility status today!

WHAT IS CSQ FUNDING?

CSQ provides core funding programs focusing on attracting, developing and retaining new entrants and existing workers to underpin the future prosperity of building and construction in Queensland.

This particular program provides eligible participants with the ability to increase their depth of knowledge and transition into higher level roles.

If you're interested in entering or up-skilling in the construction industry, CSQ funding may be able to help to ease your financial strain by subsidising part or all of your chosen course(s).
