

# Packing Options

When it comes to moving, the thought of packing and unpacking can really weigh you down. At Grace, our aim is to help relieve this stress by offering comprehensive packing and unpacking services to suit your needs.

## Packing

- purpose designed packing cartons
- professionally trained packers
- save time and energy
- peace of mind
- ease the load on you and your family
- re-establish your home quickly and efficiently

Moving is a stressful time, so let Grace help relieve this stress by providing our most popular packing service. Simply point out to our friendly moving team which rooms you require assistance packing, and they will do the rest.

Our fully trained moving team will expertly pack all of your household items using special packing materials designed to ensure the safe transit of all your items. Providing you with peace of mind during the packing and moving process.

Prior to packing, we carry out a detailed inventory of your items and evaluate your particular packing needs, so you can rest assured each item will arrive safely and accounted for. Additionally we write a description on every box packed and number each item, allowing your effects to be checked and cross-checked.

If you have any special packing instructions for particular pieces, just let us know and we will be happy to accommodate your request.

Of course our Grace packing service includes unpacking as well. We unpack all your items to bench top and take the packing debris with us!

Speak to your friendly Grace Consultant about how we can help you settle into your new home faster.

## Require additional assistance?

Want to settle into your new home faster? Why not consider our Grace Valet Assistants, their job is to take over where our removalists leave off.

Book our friendly Valet Assistants for a set period of time, and they can focus on priority areas or put all of your items away. Whatever you need, they can assist.
