## The Jim's Group Connection

Jim's Plumbing is part of the hugely successful Jim's Group, first franchised by Jim Penman, a man passionate about customer service and with a business reputation second to none. The Jim's Group completes over 400,000 jobs a year across its many divisions and has even grown internationally.

When Jim's Plumbing emerged, we became a trusted name in our own right by offering customers reliability and high quality plumbing services. With Jim's Plumbing, customers know they had a local plumber who is always on time and efficient. Likewise, our plumbers love working close to home and within an area that they know well.

## Quality Assurance Guarantee

You can be assured that at Jim's Plumbing, we eat sleep and breathe plumbing! The Jim's Plumbing group has quickly become renowned for the high performance standards and affable nature of its plumbers. Underpinning our continued growth and good reputation is our Quality Assurance Guarantee, which holds everyone in the organisation to a very high standard of quality work. This involves:

- 24/7 availability
- Service within an hour\*
- Fully qualified and licensed plumbers
- 12 month warranty
- \$0 deposit, interest free options\*\*
- Fully stocked van
- \$20 million public liability insurance
- Over 15 years' experience
