4. MAINTENANCE & STRUCTURAL WARRANTIES

- 12 Months maintenance
- As per State regulations for structural warranties
- All Apollo® distributors are licensed builders to requirements of each state

5. G550 STEEL HI-TENSILE ROOF MATERIAL

- Stronger roofing panels
- Spans up to 4.7 meters (N1 to Cyclonic) with no unsightly rafters or battens

6. PAINT FINISH
APOLLO DURASHEEN® &
APOLLO EVERSHEEN®

- Substantially cooler than some other roof products
- The 80% gloss on underside is resilient to mould growth (easy to clean)
- 55% gloss on top side with titanium dioxide added for superior light reflection to minimise heat transmission
- Low maintenance
- No painting required
- Colours to suit our climate
- Covered with protective plastic corstrip to ensure against scratching (excluding Maxisheen satin)

7. CUSTOM DESIGNED

- No two houses are exactly the same
- Design consultants fully trained to assist with best choices to suit your home and budget

8. FULL COMPREHENSIVE
ENGINEERING

- Engineered to suit a wide range of design options. Including: flat, gable, curved, breezeway or build over roof patio systems.
- Engineered to comply to Australian wind category regions from N1 to severe tropical cyclone region 'D'
- Every major structural component is calculated to suit each individual patio

9. NO WELDING ON SITE

- Means easier assembly on site
- No optically harmful construction perils

10. PRICED TO PLEASE

- Apollo® Patios offers excellent value for money, given its superior quality, superior service offered by Apollo's Premium Dealers and Apollo's superior after sales service and warranties
