## WHAT IS CSQ FUNDING?

CSQ provides core funding programs focusing on attracting, developing and retaining new entrants and existing workers to underpin the future prosperity of building and construction in Queensland.

This particular program aims to provide a pathway for eligible individuals to have their existing skills recognised and to receive the gap training required to achieve a nationally recognised qualification.

If you're interested in entering or up-skilling in the construction industry, CSQ funding may be able to help to ease your financial strain by subsidising part or all of your chosen course(s).

## COURSE FUNDING OPTIONS

This course is proudly subsidised for eligible participants by Construction Skills Queensland (CSQ) through SDS Training,
