

# E-GARD

## PRODUCT DESCRIPTION

- ✓ Carpet and upholstery stain repellent.
- ✓ Repels against oil and water based stains. Guaranteed for 3 years.
- ✓ Contains Healthguard to fight germs, mould and fungi for 3 years.

## FEATURES AND BENIFITS

- ✓ Prolongs the life of your carpet by coating and protecting the individual fibers.
- ✓ Spills won't penetrate the fibers, but will simply "bead up" making them easier to blot out.
- ✓ Once coated with E-Gard you will be able to remove up to 40% more soil from your carpets while vacuuming.
- ✓ Healthguard™ sanitiser is built into E-Gard keeps your family safe from germs and bacteria.
- ✓ E-Gard provides better protection than water based solutions.

## DIRECTIONS

500ml to 600ml per average 13 square meter room.

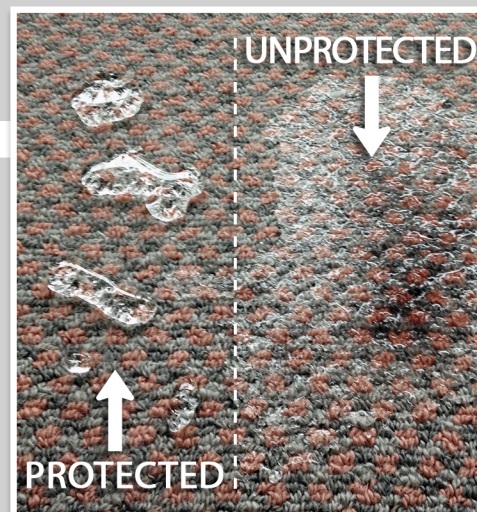

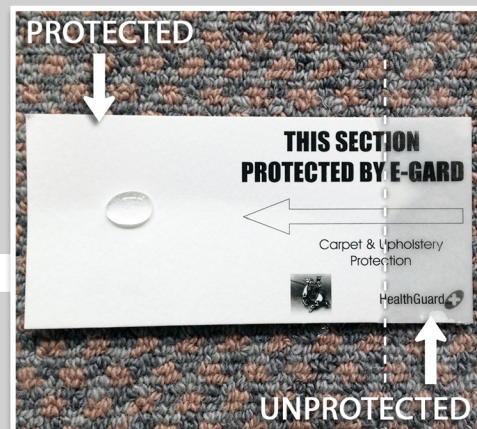

800ml to 1 liter for a 5 seating position lounge suite.

Do not walk on carpets within 1 hour of E-Gard application.

Always agitate into the carpet or upholstery immediately after application.

PRECAUTION: Always wear a respirator during the application of E-Gard.

Always use drop sheets and towels on hard surfaces such as timber floors, Tiles and Vinyl to avoid damage.
